

Dear Cursillistas – sisters and brothers in Christ!

Back in March I reported that I hoped to be able to have a meeting with the spiritual directors, lay and clergy, who help on Cursillo weekends. I can report now that, although not all those involved as spiritual directors could attend the meeting, enough were able to attend that we were able to have such a meeting on Monday evening, June 14th in Grande Prairie. At that meeting we discussed: 1) assigning spiritual directors for weekends, 2) recruiting more spiritual directors, lay and clerical, and 3) workshopping rollos and meditations.

I would like to report that since that time following upon that meeting, Fr. Mark McGee, pastor of Holy Cross Parish in Grande Cache, AB, and Catholic Chaplain to the Grande Cache Corrections Canada Institution agreed to become involved and has taken on the task of priest spiritual director for the Ladies' Cursillo this November. On behalf of the Board and all of you, I want to welcome him to the team. It is great to have you Mark. We promise you our prayers (Palanca) for the weekend and years to come.
